

## A Message From the President...

### Thank You!

It's that simple, really. It's my pleasure at this time of year to extend heartfelt gratitude to all of our many friends and supporters who join with those of us on campus as we continue to move this College forward! However, rest assured that that simple "Thank you!" comes with the enthusiastic applause of 2,200+ St. Thomas Aquinas College students who are the true beneficiaries of your generosity.

You would be proud of the progress that continues here at STAC. Our enrollment last fall surpassed the previous record entering class, and we have the largest group of resident students on campus that we've ever had! In fact, this year we have begun the construction of a new dormitory facility, which will house an additional 64 students in September! Our student-athletes continue to perform well, both on the courts and fields, and in the classrooms! Both the Spartans and Lady Spartans played in post-season conference tournaments. Our faculty continue to explore new realms of research in many of their fields, often with student assistance, and our Speakers Bureau is sought after by many civic and community organizations. And our Teacher Education programs have received national recognition in the form of full accreditation by the prestigious national group, NCATE!

Our graduates continue to achieve great success...as many of you have before them! One student is at Dartmouth College's medical school; others are at podiatry, dental and osteopathic graduate schools. Another May '04 graduate already is working at WCBS radio, and yet another is an analyst with Marsh, Inc. in Stamford. And the list goes on and on! And their successes are shared by all of us...and all of you. Without your support and good will, we would not be able to offer the quality programs that provide the foundation for students' future achievements.

So, once again, a simple *Thank You!* But in all its simplicity, it's a phrase that resounds with the collective voices of 2,200! We are so grateful for your being a partner with us, and that *Thank You* is loud and resounding!

Dr. Margaret Mary Fitzpatrick, S.C.  
President
