ST. THOMAS AQUINAS COLLEGE TO CO-SPONSOR THE ANNUAL SIDS WALKATHON

(SPARKILL, NY – August 13, 2007) – St. Thomas Aquinas College will co-sponsor the 11th Anniversary Annual SIDS Walk 2007. The walk will take place on Sunday, September 9, at the College's campus in Sparkill (NY). Registration will begin at 8:30 a.m. at the McNelis Commons Dining Hall and the two-mile walk begins at 9:00 a.m. A minimum donation of \$10 is appreciated.

The CJ Foundation for SIDS (Sudden Infant Death Syndrome) is a national charitable organization dedicated to serving the SIDS community through research, support services and public awareness programs. The CJ Foundation has already made tremendous strides in their fight to eliminate SIDS. The proceeds raised from the walkathon will assist the Foundation in striving toward its mission of a future in which no parent is faced with losing a loved one to SIDS. The 2007 walkathon will take place at various locations in the Northeast.

“The College is proud to be a sponsor of the Annual SIDS Walkathon. Researchers are within 5 years, it is hoped, to find ways to prevent a majority of Sudden Infant Deaths. We hope our support will help reach this goal,” said Dr. Margaret M. Fitzpatrick, S.C., President.

For more information about getting involved with the Annual SIDS Walk 2007 contact the College's Office of the President at 845-398-4012 or visit the CJ Foundation for SIDS web site at www.CJSIDS.com.
