ST. THOMAS AQUINAS COLLEGE HOSTS 37TH ANNUAL GOLF TOURNAMENT

(SPARKILL, NY – May 27, 2009) – St. Thomas Aquinas College will host the College's 37th Annual President's Council Benefit Golf Tournament on Monday, June 1, at the Rockland Country Club in Sparkill (NY). This event traditionally raises more than \$90,000 for the College and typically brings in 200 golfers, dozens of sponsors, and great golf stories.

The tournament will offer a \$1,000,000 hole in one prize and a \$100,000 4-putt contest. The golfers closest to the pin on the course's four par 3 holes earn the right to shoot for a \$1,000,000 hole-in-one at a par 3 hole after the tournament concludes. In addition, each of the par 3 holes offer premium automobile prizes. The day includes breakfast, lunch and a President's Buffet Reception, door prizes, tournament prizes for men and women, and an alumni scoring division. The tournament is an excellent opportunity for individual and business networking.

"The Annual Golf Tournament brings community members, College members, alumni of the College, and supporters together to raise money to support the institution and its students. The tourney promises to be enjoyable for everyone involved, and is not to be missed!" said Kevin Duignan, Vice President of Institutional Advancement.

For more information on the Golf Tournament, either to participate as a golfer or to be a sponsor, contact Mr. Duignan at 845-398-4017 or kduignan@stac.edu.

MORE ABOUT ST. THOMAS

The College's 2,700 full and part time students can choose from 97 different majors, minors, specializations, and dual degree programs across five divisions: The Humanities; Business Administration; Social Sciences; Natural Sciences & Mathematics; and Teacher Education or are enrolled in one of our graduate programs. St. Thomas has expanded its offerings to include: a Master of Science in Education with specializations in Literacy, Special Education, and Educational Leadership, a Post Masters Certificate program in Education, a Master of Science in Teaching, a Master of Business Administration program, a Bachelor of Arts, Bachelor of Science and Bachelor of Science in Education, and an Associate of Arts and an Associate of Science degree, the latter two offered at the West Point Military Academy.
