**Academic Integrity Statement**
Academic Integrity, a commitment to honesty, fairness, respect, and responsibility, is the foundation of the learning process. All members of the St. Thomas Aquinas College community are held to the highest standards of academic honesty. While we recognize the participatory nature of education, we take academic integrity very seriously, and the College policy on academic dishonesty details consequences that can include dismissal from the College. That policy can be found in both the Student Handbook and the College Catalog. As a student in this class, you must demonstrate your commitment to academic integrity by submitting work that originates in your own thinking and imagination, your ability to analyze and evaluate information, and your own knowledge, that you have done yourself, and that represents your very best efforts. When appropriate, your work should be supplemented and supported by other sources; however, you must always ensure that these sources are properly cited using the recommended documentation system.

**Academic Disability Statement**
Students requiring accommodations for a documented disability should notify the instructor before the end of the first week of class.
