Here you'll find some of the BEST BBQ east of the Mississippi or anywhere else.

All of our meats are smoked on premises using locally sourced hardwoods.

Our Smoking process begins with top quality cuts of meat which are marinated or rubbed using our secret BBQ Spice blend. They are then slow smoked in our Southern Pride Smokers for up to 12 hours until tender, moist and full of smoky flavor.

This unique cooking process creates what is known as a 'Smoke Ring' which is a red ring that develops along the outside of the meat and along the bones in our products. This is a true sign of authentic Southern style BBQ and you can be assured that despite the color all our meats are smoked well done.

*So sit back, relax and enjoy
a taste of the south
here at Bailey's Smokehouse!*
